Commissioner of Fisheries,  
Washington, D.C.

Dear Sir:-

We acknowledge receipt of your letter of the 25th (your file 17) relative to 13011 Chum Salmon taken by beach seine at False Pass, shown on our report to the Bureau. These are the fish caught by Oscar Vanner under his permit. We should probably not have reported these fish, but they were shown in our cannery fish records and were included in making up our report without any further thought being given to the matter.

In reply to the last paragraph of your letter, beg to advise that all other fish covered by our report were taken in traps and by the two purse seines covered by our permit, and no fish were purchased from outsiders other than those taken from Oscar Vanner.

Trusting this makes the matter entirely clear to you, we beg to remain,

Very truly yours,

P. E. HARRIS & CO.
